Comments After Submission:			

### PRODUCT DOCUMENTS/PRODUCTION READY VISIT

No products examined – Production Ready Visit

Authorization to use the UL Mark is contingent upon a regular countercheck of the products intended to be UL Labeled to ensure compliance to UL requirements. Since there was no completed UL Labeled production at the time of this inspection, **please notify your UL Field Representative (named on this report) as soon as the next production date or dates are known, so that a UL inspection can be conducted during production of UL Marked products.**

### SAMPLE DOCUMENTS

If samples are required to be sent to ULI Laboratory, indicate below. If required samples are not sent, explain in the Comments area.

No Samples			
Additional Comments			

In addition to the requirements specified in the applicable UL Services agreement and Follow-Up Service Procedure, UL further defines responsibilities, duties and requirements for both manufacturers and UL representatives in the document titled "UL Mark Surveillance Requirements" that can be located at [www.ul.com/fus](http://www.ul.com/fus), and in accordance with the applicable terms and conditions of the document at [www.ul.com/responsibilities](http://www.ul.com/responsibilities). Manufacturers without Internet access may obtain the current versions of these documents from their local UL customer service representative or UL field representative.
